

DEVELOP CONCEPT

The first step is a deep dive into your business goals and vision. We'll identify how many licenses and which types you need, their sizes, and scope. We'll also create an operator's funding strategy for entrance into the marketplace

1

FORMULATE STRATEGIC PLAN

Next, we'll identify the best region for successful location siting and permitting. We'll collaborate with you on the right entity structure, licensure partnership, site selection, real estate acquisition strategy, and develop a project team focused on your success.

2

STATE & LOCAL APPLICATIONS

In this stage, we'll create the documentation required for persons and entities of interest, develop strategic application narratives, and craft a compelling business plan.

4

COMMUNITY & MUNICIPAL OUTREACH

Our government policy experts will engage with key stakeholders, including government officials and residents, to build support for your business at its strategically-selected location.

3

100 + Cannabis Cos Established with Tenax Strategies.

SITE SELECTION

We'll work with a real estate team to identifying strategically-placed real estate assets to optimize long-term cannabis business success and increase your chances of obtaining the necessary government approvals.

6

SITE PLAN REVIEW & SPECIAL PERMIT

We'll represent you before various government boards, local, town & city councils. Our policy experts will work with licensed professionals for land use and site plan applications, developing convincing narratives for why the site is a good location.

7

STATE LICENSING

The next step in the process of get licensed, get opened is the submission and tracking of licensing applications. With Tenax, all steps in the submission process are covered, from curing application deficiencies, additional information requests, and more.

LICENSE

8

We have one of the highest success rates for securing licenses in MA.

REGULATORY INSPECTIONS

We'll offer ongoing regulatory compliance counsel, along with pre-licensing inspections, to boost your chances of winning the necessary licenses in your intended location.

Tenax has secured some of the most difficult licenses for our clients. We're one of the first firms to secure approval for the Standard Annual Class 5 license in New Jersey.

COMMENCE OPERATIONS

Finally, we come to the finish line. But our partnership continues. We'll offer post-opening regulatory compliance, and general consulting on your business operations for ongoing ROI.
